## Hymn to "BOB"

by

The Very Left Rev. Dr. Magistra Batrix, 8\* = 3\*

File on leaking lobes in the lap,  
O gob! My gob!  
Go sports-fishing into the wrap  
Of "BOB"! Io "BOB"!  
Io "BOB"! Io "BOB"! Go under the tor  
Of editor and excelsior!  
Roaming as Harpo, with clowns and grips  
And scabs and milkmen in their slips,  
With a tea-green tart, go under the tor  
With her, with her,  
Go to Iaog-Sotath with<sup>^</sup> polished bum  
(Linoleum or uranium),  
Go to Aunt Nunu, glabrous slick  
And give thy best shot, O Divine Dick,  
In the Sun of the sea, in the onyx vale,  
The wrinkled night of the crimson swale!  
Lift the chartreuse of befuddled nurse  
To the purple wallet, the violet purse,  
The mind that wallows with legs of green  
To hear thy perfidy retching in  
The mangled waste, the straitened fool  
Of the rotting weed that is cunning and rule  
And dummy and toe -- go under the tor  
(Io "BOB"! Io "BOB"!),  
Pink-boy or Sub, with her, with her,  
Our Dobbs! Our Dobbs!  
Go for limpets bending low  
Under the flow!  
Go for lutes high scattering  
To the ring!  
Go in tub and go in vat!  
Are we not fat?  
We, who stare and limp and flutter  
With rain that hath no steam to clutter  
Our circus, leary of seemly gait,

Hymn to "BOB"

Dead as a peacock and wild as a krait --  
 Flee, o flee!  
 We take tea  
 In the open sleep of revelry.  
 Burp the quad with the nestling carport,  
 Half fun-seeker, half a spoilsport;  
 Hand us the bane of the Running Sore,  
 And the banner rampant of the numbing bore,  
 And the bark of waffling and crabgrass sore,  
 O "BOB"! Io "BOB"!

Io "BOB"! Io "BOB" "BOB"! "BOB" "BOB"! "BOB",  
 We need a job:  
 Give us your watch, lest we start to sob  
 O "BOB"! Io "BOB"!

Io "BOB"! Io "BOB" "BOB"! We are on fire  
 By the bed of the tire.  
 A lizard palpates with wing and horn;  
 The clods are lorn;  
 The small fish strum, Io "BOB"! We have sung  
 In sleep on the lung  
 Of Mao T'se-Tung.<sup>1</sup>

We are "BOB"! Io "BOB"! Io "BOB" "BOB"! "BOB"!

We are thy spy, we are thy slob,  
 Worm of thy pack, we are tin, we are prick,  
 Socks to thy shoes, tart to thy trick.  
 With toes of oil we fall in the rack  
 From afternoon to midnight snack.  
 And we snore and we dance and we trip and we roam  
 Only 'til Tuesday, then we go home,  
 Rosemary, parsley, sage, and thyme,  
 In the hope of Dobbs.<sup>2</sup>

Io "BOB"! Io "BOB" "BOB"! "BOB"! Io "BOB"!

  2. Pardon me: "rine," "BOB" is a complete and absolute fuck-up -- but every time he fucks up, he makes a million dollars!" (Mr. Mr. Dr. Dr. Pope Meyer of All New York City and Points West, or maybe another guy.)

# READ WHAT GOD'S "PROPHET" SAYS

*Emphasizes Repentance & Obedience To  
Truth*

**PREACHING AGAINST:** Adultery, divorce & remarriage, marriage annulment, fornication, common-law living, oral sex, lusting, homosexuality, lesbianism, pimps, pornography, mixed bathing, women wearing shorts, hatred, stealing, cheating, lying, deceiving, gambling, using God's name in vain, dope addiction, alcoholic beverages, tobacco use, smoking, pride, make-up, certain television programs etc., suicide, murder, rape, bribery, extortion, arson, mini skirts, revenge, burglary, rock music, and all the rest that the Bible condemns!

Dear Folks,

Haven't you heard enough about the modern Seed-Faith, prosperity, health, and financial success at the expense of almost totally ignoring the basic teaching of Jesus such as repentance of sin which Christ emphasized and so did the prophet John the Baptist. Repentance means sorrow for one's sins and to be willing to forsake all deeds which the Bible condemns. They are listed on the front.

In many churches the pastors are afraid to point out sin because they are fearful of their congregation that they may be voted out, so he tends to please the people. The result is, more hypocrites in the pews, and yet they are boasting about their attendance.

If a person does not change their ways after claiming salvation, he or she is worse off than the publicized sinner. For now they are satisfied in the daily sins they commit.

Jesus said, you compass land and sea to make a proselyte and now he is ten times more a child of hell. In other words, you made him more wicked than he was before. Listen to what the prophet says and be ready for Jesus' coming. The blood of Jesus cleanses as you repent.

If you want to know what the Holy Ghost said concerning television sets, he said, "Move them out".

Love in Jesus name  
"That Prophet"
